Project note

This is a fictional document created for PDFandGO tool guides.
It contains no real customer, invoice or application data.

Reference: DEMO-EN-001
Revision: A
Name: Example User

You can select, copy or search for the word sample in this paragraph.
Use the blank area below to practice signatures, form fields or notes.

Supply list

These products and quantities are fictional.

Paper packs: 2
Folders: 3
Appendices: 1

Use this page to compare the two revisions.
The colored bands also help you inspect image quality and contrast.

Appendix and final checks

This is page three of the sample document.
Try extracting pages 2 and 3, or changing their order in a copy.

Keep the source file and save your practice result separately.
Check the page count and the first and last words after exporting.
