Word to PDF example

A two-page document created by PDFandGO to demonstrate browser conversion. All names, tasks and amounts below are fictional.

Project checklist

Check the table, text selection and page order after conversion. Review the preview before downloading your own documents.

Task	Owner	Status
Prepare draft	Example team	Complete
Review document	Demo reviewer	In review
Share PDF	Example team	Planned

The next page contains an embedded PNG and a short list. **This paragraph remains selectable in the exported PDF.**

Embedded image example

The image below is another synthetic PDFandGO example. Its English labels are part of the image, not editable Word text.

Before sharing

- Check headings and line breaks.
- Check the table and image.
- Open the downloaded PDF and select a sentence.

End of the two-page conversion example.
